

## Goal

Our goal is to raise \$330,000 to purchase buildings and convert them into sacred spaces for members and friends to worship, provide social ministry, and experience the peace of Jesus Christ. Russia and Ukraine church members will provide much of the labor to renovate the interiors. We can do it with your help.

Please join with our faithful members in Russia and Ukraine to help build places of peace by sending your gift of

\$3,000  
\$2,000  
\$1,000  
\$500

**Any amount given will help to complete these sacred spaces.**

Contributions received above the goal will be used for additional Russia and Ukraine congregations and to provide ministries of peacemaking in those countries. Your generous response builds the Community of Christ, where precious lives are held in God's hands. Thank you!

# Places of Peace: Russia TO Ukraine

Angela Glushkovetska, Sophia Glushkovetska, and Christina Glushkovetska, members of "Oasis of Peace"

*"You are called to create pathways in the world for peace in Christ to be relationally and culturally incarnate. The hope of Zion is realized when the vision of Christ is embodied in communities of generosity, justice, and peacefulness."*

—Doctrine and Covenants 163:3a

## Imagine...

Imagine wanting to share the peace of Jesus Christ so passionately that 20 people cram into a tiny apartment that is only the size of a bedroom. For Community of Christ members and friends in Russia and Ukraine, having a comfortable building with room enough to worship, fellowship, and host activities is only a dream. You can change that. Your gift will help to reach thousands of souls who are desperate to come, be changed, and discover the hope of the gospel.
