

Use PAT to Sustain Mission

Sometimes you can't get to your congregation on Sunday, or you leave your offering envelope or checkbook at home. Maybe you couldn't take the practical and prayerful time to consider how much you can give.

Besides, many of us like ways of budgeting, bill paying, and tithing that keep our paperwork straight and are consistent in our contributions to God's mission. Amid busy lives, it helps to have tools and options that make it easier to align our budgets and values.

PAT can help you become a consistently generous financial contributor who helps make mission happen all over the world.

Those in the USA can arrange pre-authorized monthly checking account transfers (PAT) by filling out the form, at www.CofChrist.org/give and submitting it securely online, or by printing the form, filling it out, and mailing it to the address on the form. You choose the amounts to contribute to both Local/Mission Center and Worldwide Ministries. You can make additional contributions through offering envelopes in your congregation as well.

If you have questions, contact your congregational or mission center financial officer or Community of Christ Fiscal Services:

Why I Use PAT

We chose to share via PAT for convenience and reliability. Knowing our mission tithes are deducted automatically and shared equally between Local and World missions gives us peace of mind! PAT makes being a faithful and generous disciple as easy as can be.

—Karen Tillery

Rich Hill, Missouri, USA

PAT keeps us on track when we can't be at church. We don't have to double up to catch up on our giving. It makes budgeting easier. No more forgetting your envelope at home, etc. It is convenient for a busy life.

—Colleen and Kevin Mercer
Smithville, Ontario, Canada

Because our ministry entails being in different congregations each Sunday, PAT offers us the opportunity to share with our home congregation and World Ministries without worry. Also...it helps us follow the Disciple's Generous Response steps of giving, saving, and spending responsibly what is left.
