HOUSING INFORMATION

Properties in the greater Independence area are listed below. Individuals will need to make private arrangements with these establishments prior to March 10, 2010, in order to receive a guaranteed room at the discounted rates. Rates and amenities are subject to change. Be sure to indicate when registering that you are with the *Community of Christ World Conference*.

All special requests need to be made at the time reservations are finalized. While we believe each of the sites listed is of at least moderate standard, the church cannot accept responsibility for the condition of any particular establishment, nor any inconvenience or disappointment which may result if accommodations are not found to be suitable.
