Acknowledgment of Pew Edition Contributors
Just as the texts and tunes in Community of Christ Sings represent the diversity and global nature of the church, the contributors to the book’s success are a rich resource pool of experience, knowledge, and talent. Space constraints in the hymnal restricted the listing of names to the very few who served on the Hymnal Steering Team. The list below is an attempt to acknowledge the many people who served in various capacities to help produce this new songbook for the church.

Every attempt was made to ensure that the list is complete and accurate within press deadlines. Please notify the Hymnal Steering Team of any unintentional omission. An updated list will be available on the church’s website, www.CofChrist.org/hymnal.

Thank you to all who contributed their time, skills, and energy to ensure a rich future in which Community of Christ Sings!
