Lesson 4

- Gather - send link to video to watch individually - discuss as a larger group
- Engage - send videos as link - discuss as a larger group
- Respond - Leave stream on - have students gather all the materials they need while the zoom is one and while music is playing. Maybe have sent an email the night before to let them know that they should bring a snack. The food doesn't all have to be the same. Use Conversation starters
- Send - send link for video - journal - share image on your screen
- Bless - pray together

Lesson 5

- Gather - Use shared screen. Create a document with 4 quadrants. Decide together what to title each quadrant. Have students brainstorm on their own what goes under each title for 5 minutes. Then share out. Can add new ideas as they think of them.
- Engage - Choose a word - Zoom out so that they can see you with a piece of poster paper. Mind map that word together as a group. Can do more than one if there is more time
- Respond - send video link to watch individually and then discuss as larger group
- Send - send video link to watch individually and then discuss as a larger gorup
- Bless - send video link - leave them with the final idea as a slide they can see on a shared screen.
